WHAT TO EXPECT

*A professionally produced, high quality athletic event...
from start to finish!*

From the moment you hit packet pick-up, the energy is real—you'll check in, grab your bib with built-in timing chip, and you're race-ready. No phone needed—our free Elite Events Tracker App keeps friends and family updated live as you run.

Next stop: the shirt table. Choose a colorful tech tee or soft cotton tank, then get hyped with music pumping as you head to the start.

When the gun fires, timing mats track every split while water stops keep you fueled. On the home stretch, flash that smile—our photographers and videographers will capture your big finish. Medal on, photos snapped, victory locked in.

After the race, enjoy snacks, instantly check results on the app, and follow your friends' progress with live updates straight to your phone or watch. It's going to be unforgettable.

PARKING

There is ample parking at Markham Park where the race starts and finishes.
